I am a self-motivated and hard working person who is working as translator from last 7 years in various African Languages. I'm a reliable, accurate and committed translator and my language combinations are Swahili/Kinyarwanda/Kirundi/Amharic into English and vice versa.

Education

1987-1990: Three year undergraduate program (BA) in Literature at University of Dodoma.

1987 – 1987: Advanced Certificate of Secondary Education at Kilosa High School.

1985 - 1987: Certificate of Secondary Education at Malangali Secondary School.

Experience

Translation, Transcription and proofreading: Areas of specialization. Reports, theses, business communication, stories, education and methodology, sociology, technical such as manufacturing , automotive, home appliances, electronics, electrical, general engineering etc., children related books, government documents, books and general, finance, commerce, advertising & PR, marketing and marketing research, HR and so on..., any manual, pharmaceuticals, letters and emails, journals, agreements, certificates and deeds, tourism, arts and humanities, commerce, linguistics, religious documents, press release, contracts, legal documents, articles, magazines, diplomacy, politics and current affairs, geography, history, agriculture, globalization, environment, tourism etc.

I have been working with various translation companies all over the world. If you are looking for a team of translators who can assist you on long term basis then you are at right place.

Thanks

Freida
