Academic Summary

I am a teaching assistant at the National University of Political Studies and Public Administration in Bucharest. I defended my PhD in Philosophy in 2014 at the Central European University, Budapest, with a thesis on psychological explanation. I have planned and delivered courses, seminars and workshops in Romanian and English, at both undergrad and graduate level, for more than 5 years. I am currently working on a book proposal based on my thesis.

Teaching

- Intro to Philosophy

First year undergrad seminar taught in Romanian. This was the second year I gave this seminar. [<https://filosofie101.wordpress.com/>]

- Globalization

First year graduate (MA) course and seminar taught in English. This was the fourth year I gave this class. [<https://pmglobalization.wordpress.com/>]

- Film study group

Optional screenings & discussion. This was the first year this group met.

- Philosophy of Language

Optional seminar for undergrads taught in Romanian, with most readings in English.

- Academic Writing

First year undergrad course and seminar taught in Romanian & occasional workshop for PhD students in Romanian & English. This was the third year I gave this class. [<https://redactareacademica.wordpress.com/>]

- Communication Theory

First year undergrad course and seminar taught in Romanian. I gave this class for one year.

- Intro to Political Science

First year undergrad seminar taught in Romanian. I gave this seminar for two years.
