Designing

## Vison and mission

**Help businesses achieve targets by offering excellent business services.**

**To become a leading Indian brand by serving globally.**

## We love spreading smiles!

- Through our meticulously perfect services, we make sure our clients get what they want, on time. We believe that our growth solely depends on the growth of our clients. So, rely upon us when you want jobs delivered with confidence.

## Our process

Every job received is analysed in detail. Pre-planning done for accurate execution.

Job assigned to right people. Briefing given. Progress monitored.

Quality check of completed assignments. Improvements incorporated as required.

Job delivered.

## Our strengths

27

Years experience in the media and entertainment industry.

25

Dedicated in-house members in team taking care of every aspect of work.

700

Plus associates worldwide, helping us serve our clients in 40 languages.

## Some landmark projects

Entire anthology translated from Marathi to Gujarati.

Written, produced, directed 35 stage plays in Hindi and Gujarati languages.

Created several videos and presentation for corporate, celebrities, NGOs.

Complete writing and editing of 8-pages weekly travel supplement YatraBhoomi for 7 years.

The best thing is you get several media services under one roof. So, no more coordinating with several people for a single job!
