Punctual

Confidential

Reliable

We take our deadlines very seriously and it is our commitment to deliver high quality work within the agreed timeline.

We will keep your documents and personal information absolutely confidential at all times.

We work with experts that translate only into their mother tongues and are chosen on the basis of their specialisms.

## Translation

- Document translations: all formats (docx, pdf, pptx, xlsx, html, indd, xml & others)
- Website translation in html, xls, xml, crm, api & others
- Other translations: software, e-Learning, technical, Apps

## Interpreting

- Conference interpreting worldwide
- Telephone interpreting: normal calls or conference calls
- Other types of interpreting: Court interpreting, liaison interpreting & others.

## Transcription

We transcribe your audio and produce the text in Microsoft Word from formats like MP3, WAV, WMA, MOV and many others.

## Subtitling

Subtitling involves the translation of textual versions of the dialog in video files and movies in these formats: SUB, SRT, SSA, SMI, TXT.

## Design

Following translation we provide an desktop publishing service for multilingual materials in the format of your choice.

## Voice Over

We have access to an extensive network of experienced voiceover artists working in a range of languages.
