Volunteer Experience

Team leader and coordinator at Adult Literacy and Basic Education Enterprise at Life Makers Foundation

- 2013

Health Awareness team leader. at Life Makers Foundation

- 2013

I learned how to expeditiously communicate with a team, how to define the problem, how to find a solution, work out a plan, and how to execute the plan efficiently.

volunteering shows me how to be brief and precise.

Coordinator and Organizer. at Life Makers Foundation

- 2013

Life makers is A non-profit foundation aimed to help people in need.

life makers is funding a lot of project one of which is ##### which literally mean 'our health'

this project main concern is to provide health care for whom can't afford it. we provide medical convoys which provides medical checkup with many specialities and dispensing prescriptions for free.
