

ASTRID JANSEN

I am a passionate, highly motivated translator and web & mobile app developer.

I have almost 20 years of experience in web development and 7 years in mobile app development and Spanish to Dutch and English to Dutch translations.

I am Dutch, but have been living in Spain since 1998.

I am a fast learner, self-educated, self-motivated, and pick up new skills quickly.

I have a strong desire for knowledge and new challenges and like to think outside the box.

EXPERIENCE

Since 2017 Freelance Translator for Transperfect from English to Dutch and from Spanish to Dutch.

Since 2010 Freelance Translator
Since 2010 I have translated several IOS app and websites from English to Dutch and from Spanish to Dutch.

Since 2010 Freelance Mobile App Development.
Since 2010 I have developed numerous apps with objective-c and phonegap technology.
An overview of my apps can be found at:
<https://itunes.apple.com/us/developer/yawarajitsu/id368201330>

Since 2008 Freelance Web Development.
Since 2008 I have been working as a freelance web developer on different, mostly Wordpress, projects.
An overview of some of my latest projects can be found at:
<http://disenowebastridjansen.icreateyourstore.com/>

1997-2008 Senior Analyst Programmer in Atos Origen.
In September 1997, I started working for the International Consultancy, Atos Origin, as a junior analyst programmer. I was responsible for the development and maintenance of the intranet, the contact with the different international divisions and the development of standards for the intranet.

A year later I was transferred to Atos Origin Madrid, Spain, where I worked as a senior analyst programmer. I worked on a project basis for Atos Origin's external clients and was responsible for the design and development of Internet applications.
