I am a law industry professional with a Bachelor of Law and Masters in Intellectual Property Law and Public and Private Law. I just came to London to expand my knowledge in English law through undertaking the LLM in Intellectual Property Law at Queen Mary University. I am a hard-working and keen individual who's always proved herself in challenging situations. I am very friendly and cooperative with my colleagues and always willing to learn and explore new skills. I am looking forward to explore the working environment in UK and I am hoping this will further enhance my skills and expertise, not just in my industry, but also beyond.
