

RESUME

Name: Rodrigo Adrián Lathrop Sánchez

Cellphone: +56942032043

E-mail: r.lathrop.s@gmail.com

Skype: r.lathrop.s

Current location: Santiago, Chile

I am a professional with 10 years of experience working on information technologies, mainly on infrastructure: operating systems for end users and servers. Windows and Linux architecture, providing support for companies in Chile and Argentina. Always looking for new challenges, in order to keep on learning as well as to improve myself.

Goals and achievements orientation, good negotiation skills, interpersonal relationships handling, and communication skills. English language written and spoken to an advanced level.
