University of Dhaka

Master of Social Science , Anthropology

Jul 2006 - Oct 2007

The University of Dhaka is called the Oxford of the East. Anthropology is an important subject in this famous educational institution. Anthropology which branches are Social Anthropology, Cultural Anthropology, Biological Anthropology, and Medical Anthropology is a very interesting matter. I have completed more than four field works and a thesis on it. In recent history, Anthropology turned into an important subject for knowing our ancestry and solving social issues.
