Experience

2000–2003

- A worker, Producing car rim in Tozka Kougyou-Japan

2004–now

- Teacher, teaching Japanese at SMK Brantas-Malang-Indonesia

2004–now

- Translator and Teacher, translating Javanese-Indonesian-English-Japanese-German and teaching English at Friend Study Club

I studied English and German in Foreign Languages and English Literature from 1994 till 1999. After having graduated, I moved and lived in Japan from 2000 – 2003. After going home, I run my business, Friend Study club, in 2004 till now. I have been teaching and translating English alot since then. I have taught Japanese since 2008.

My translation fields are economy, health, medic, accountancy, engineering, law, psychology, comic, manga (Japanese comic), and video subtitle.

Education

STIBA, Malang, East Java
