Additional information

I have been living in France for more than 5 years where I studied art and languages. I've moved to Miami -FL where I've lived for more 4 years. I start working at Brickell Financial Systems Inc. as an Administrative Consulting (Contract's translation, Financial Projects translation and Interpreter in 5 languages: English, Spanish, Portuguese, Italian and French) My experiences travelling all over the world and working with a many sort of medias brought me some eclectic and multicultural knowledge's to dedicate myself to the communication area.
