## PROFILE

Over 4 years of experiences in translation and localization industry, specializing in interpretation and translation.

I currently work as a freelance translator, specializing in general translation, script translation, literary translation, commercial translation, legal translation, technical translation, and website and app localization.

I consider myself as a hard worker and a fast learner. I adapt well in new environment and enjoy various new challenges to develop my abilities and skills.

I also indulge myself in a few organizations to broaden my connection and knowledge about language interpretation and translation.
