

JAMIU BOLARINWA

Translator

PROFILE

Skilled German translator with a strong command over the German language and a passion for technological innovation. Leveraging expertise in translation and linguistic nuances, I specialize in training AI chatbots to facilitate seamless and accurate communication in German. With a deep understanding of language dynamics and machine learning, I bridge the gap between human expression and AI comprehension. Adept at fine-tuning language models to deliver culturally relevant and contextually accurate translations. Committed to advancing language technology for effective cross-cultural communication.

WORK EXPERIENCE

Otovo (Translator and Proofreader)

2020 – 2021

- **Translation Excellence:** I meticulously translate diverse content from English to German, preserving linguistic integrity, cultural nuances, and domain-specific terminology.
- **AI Chatbot Training:** I develop and refine AI chatbot language models, enhancing their ability to comprehend and generate natural German text, resulting in improved user interactions.
- **Linguistic Precision:** I apply expert knowledge of grammar, syntax, and idiomatic expressions to ensure fluid and contextually appropriate translations.
- **Continuous Learning:** I stay updated with advancements in AI and translation technologies, integrating the latest methodologies to optimize language training processes.

Zco Company translator 2015 – 2020

As a German to English Translator at Zco Company, my primary responsibility is to facilitate effective communication by translating content from German to English.

Fluent German AI Training ,Seamless Cross-Cultural Communication ,Expertise in Language-Technology Fusion, Innovating for Enhanced User Experiences
