An avid university student with lots of enthusiasm in translation, seeking to put their education and experience into good use. Translation gives me flexibility and an opportunity at being my own boss

## SKILLS

**CAT Tools/Translation Softwares:**

- Subtitle Edit
- Subtitle Workshop
- Trados Studio

**Proficient in English**

**Intermediate in Romanian**

**Well-versed in Linguistics, History and Literature**

## WORK EXPERIENCE

- Mentoring of Elementary School children 2021-2023
- Proofreading of medical surveys translated from English to Hungarians
- Teaching of English Language and Hungarian Grammar, through private teaching and private schools

## INTERESTS

- My current academic goal, besides starting my MA, is to specialize in Contemporary American Literature. Delving into such a piece as Infinite Jest is my first step on this road.
- Reading and watching movies, most of which I have been digesting in English ever since I was a child

## EDUCATION HISTORY

**Eötvös Lóránd University**

- Bachelor of Arts in English and American Studies
- Universal and Hungarian History Minor
- Topic of my final thesis was a literary and historical analysis of Infinite Jest

**I. Géza Király Economics Vocational School**

- Advanced Matura Exams in English and History
- Financials Administrator

**IELTS C1 level English Exam**
