- Certificate obtained: First school living Certificate

SKILLS

- BUILDING SCALABLE CISCO INTERNETWORKS
-Implementing EIGRP operations
-Implementing multiarea OSPF operations
-Describe intergrated IS-IS
-Implement Cisco IOS routing features
-Implement BGP for enterprise ISP connectivity
-Implement multicast forwarding
-Implement IPv6

- BUILDING CONVERGED CISCO MULTILAYER SWITCHED NETWORKS
-Implement VLANS
-Conduct the operations of spanning tree protocols in a hierarchical network
-Implement inter-VLAN routing
-Implement gateway redundancy technologies
-Describe and configure wireless client access
-Describe and configure security features in a switched network
-Configure support for voice

- IMPLEMENTING SECURE CONVERGED WIDE AREA NETWORKS
-Implement basic teleworker services
-Implement Frame-Mode MPLS
-Implement a site-to-site IPSec VPN
-Describe network security strategies
-Implement Cisco Device Hardening
-Implement Cisco IOS firewall
-Describe and configure Cisco IOS IPS

- OPTIMIZING CONVERGED CISCO NETWORKS
-Describe Cisco VoIP implementations
-Describe Qos implementations
-Describe DiffServe Qos implementations
-Implement Auto Qos
-Implement WLAN security and management

PROFFESSIONAL EXPERIENCE

- 2008   Six months internship with GLOBTOURNet in Yaounde, Cameroon
- 2009   Microsoft-software jobs, done for KINGDOM FINANCE in Yaounde, Cameroon
- 2010-2011   Six months internship with CREOLINK COMMUNICATIONS in Yaounde, Cameroon at the Network Operating Center (NOC), doing the following:

        *Solving problems related to the fiber optique and

cable modem technologies.

*Monitoring the network using tools such as : -
    -Packet Logic
    -CN-admin(cable network administration)
    -Solarwinds
    -CMTS signal quality
    -Google earth

*Configuring IP phones and CISCO Equipment both for company and clients

*Configuring Mikrotik routers both for company and clients

*Bringing solutions to client's Internet and TV problems online.

- 2012   Currently teaching at "POWERBACHE" higher institute of learning in Yaounde, Cameroon.

LANGUAGE ABILITY

- English : spoken and written
- French : spoken and written

HOBBIES

- Playing music, computer, football, reading

REFERRENCE

- DR Janvier Ngnoulaye
  Cisco instructor
  University of Yaounde 1
  Yaounde, Cameroon
