ОДНОКЛАССНИКИ

# How we do this?

## Global reach

We work with a network of **750+ qualified translators**, most of them having a **linguistic background** and senior experience in subject translation

## Flexible

**We adapt to our customers' methodology** by working with their own software, following their SOPs, guidelines and glossaries

## Tech-savvy

We have established **Project Management** workflow and **localization-oriented environment** where we coordinate all projects with large volumes in record times
