

# Gryphon Translations

## Company Profile

### Who we are

Gryphon Translations is a specialist global translations company, we provide a unique service around the world. Our highly educated team of translators is able to provide companies with bespoke translations across all mediums. Our online system is key to successful projects and designed to ensure a secure and smooth transition from start to finish.

We pride ourselves on our quality and overcome many challenges by only provide translations to English from various languages around the world. Our company is purely online which means you can manage projects from all over the world and operate with translators completely native in their language.

We don't employ thousands of translators and stick very much to the ethos of quality over quantity. Our company focuses on getting translators who value the work we provide them and are able to assign not only based on price but also on the required industry. Gryphon Translations believes that its staff will work better and more efficiently when they work on areas of interest to them.

### Our Mission

Gryphon Translations provides a simplistic and user friendly online platform from which to manage your translation projects. Our highly certified team of professional translators from around the world are tailored to your requirements. We have a reliable reputation for verified and quality-tested translators with exemplary credentials.

Our bespoke system has been designed online from the ground up to make sure that the projects you provide us with are given to the correct translators and all work is allocated before you receive the pricing, thus when you accept the pricing our staff will be ready to start work straight away.

### Our Commitment

We value our customer's feedback and aim to provide a bespoke service to meet with you needs. We strive to provide you with the fastest possible service, from the quotation stage to the delivery of your documents. We aim not just to meet your requirements but to go beyond your expectations throughout the whole service to provide you with an accurate, timely and quality finished document. At Gryphon Translations we have the expertise for your translation journey. We work to deliver a translation solution that's designed around you.
