

Jai Translations

Jai Translations is a translation agency offering you the most precise and professional services for translation, transcription, subtitling, Voiceover, reviewing, editing/proofreading, and DTP in Asian, European and Indian languages. We always employ native speakers to carry out all our services.

Our agency has 17+ years experience in these services and we employ translators having more than 10 years' of experience in the field. All our translators are mother tongue translators of the target language and experts in the source language.

We assure you that we will deliver superior quality translation and typesetting services at very competitive prices, on an "on time - every time" basis.

We also undertake all types of certificates like birth, marriage, academic, divorce, death, etc.,

Our translators are highly experienced experts in the following fields of: Architecture, Business Administration - Management and Marketing, Commerce and Finance, IT - Software and Hardware, Engineering - Civil, Electrical, Electronics, Mechanical, Chemical and Digital, Education, Legal - Patents and Contracts, Medicine, Healthcare, Pharmaceutical, Telecommunication, Literature, Science and Social Science, etc.
