About LanguEdges

LanguEdges is a localization firm established in 2010 with an aim to cater to the growing translation and localization needs across the Globe.

Our main objective is Customer Satisfaction and in order to achieve it, we try to understand the core needs of your target audience.

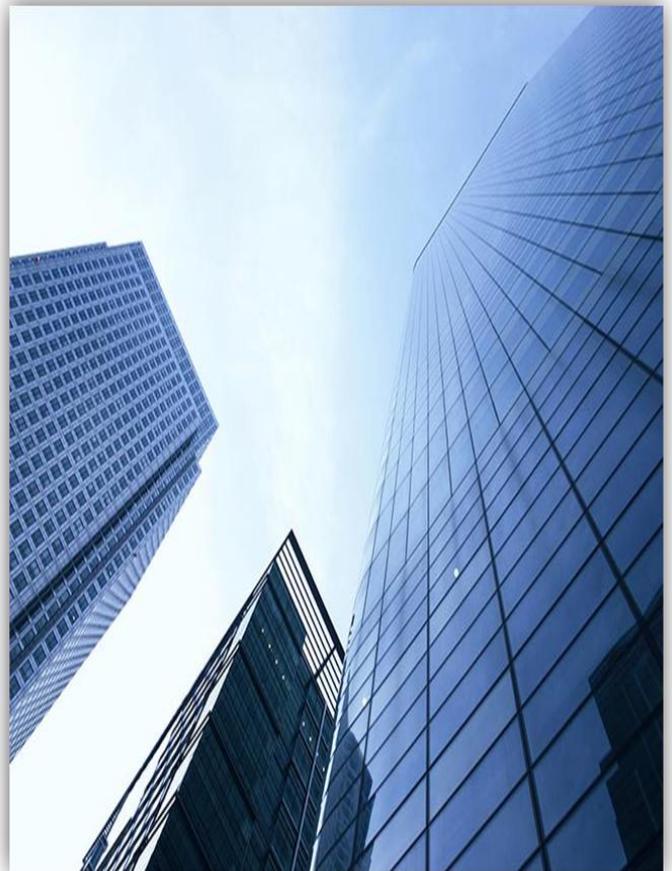

Target Audience happy = Client happy!

LanguEdges is committed to providing 100% accurate and professional translation.

Now a day, Most of the Clients are demanding translation cum DTP services to increase efficiency and obtain ready products. We have identified this requirement and now have introduced DTP services for our clients.

Strength: Our core team

We have a competent team working with us. Our team consists of projects managers, coordinators, linguists, and QA & loc. engineers. Substantial experience and exposure to the field of localization make our team perfect. Our project managers are highly experienced and dedicated to handling projects with the desired level of efficiency and professionalism.

Our dedication towards clients differentiates us from our competitors.
