

## Let's Understand Each Other

### Company Profile

LocStars is a localization company based in Egypt and specialized in providing translation and localization services targeted to the **Bidirectional** markets, like Arabic to international clients worldwide. We offer a price-competitive, professional, fast, customer-focused and quality-controlled service.

We specialize in localization services from English language into Bidirectional "Right-To-Left" languages (Translation, Proofreading, Localization Engineering, Desktop Publishing etc.) We use the latest versions of various CAT tools (Trados Studio, SDLX, Wordfast, Alchemy Catalyst, etc.) Our projects are delivered on time, with the supreme service quality at the reasonable price.
