

Setting the **NORM** in Legal TRANSLATION

**Norm Legal Translation** aims to meet the growing demand for the translation of legal documents. Translation of legal documents requires not only the knowledge of the legal terminology but also an understanding of the legal systems throughout the world. Hence, expertise in the legal sector ensures accurate legal translations.

**Norm Legal Translation** renders the following services:

- **Translation**
- **Interpreting**
- **Localization**
- **Proofreading & Editing**
- **Certification & Notarization**

**Norm Legal Translation** is composed of a highly-qualified in-house team of project managers, translators and editors in addition to an outside network of experienced translators and interpreters.

### Team Leader

Pursuant to graduating from Uskudar American Academy, Beyza Gundem Ulusoy continued her education in the U.K., by completing her Bachelor of Laws (LLB Honours) at the University of Nottingham and her Masters in Law (LLM in Int'l Commercial Law) at the University of Kent, Canterbury with merits. Thereafter, she worked for a well-established law firm before returning to the U.K. to complete the Postgraduate Diploma in Legal Practice / Legal Practice Course - which is the final vocational stage for becoming a solicitor in England & Wales - at the College of Law, Manchester with Commendation. Beyza Gundem Ulusoy has over 10 years' experience in the translation of legal documents.
