

TRANSLATION GURU PVT. LTD

Home:

If you are reading this, our guess is you perplexed about translation; which is actually quite simple. Our company offers exceptionally accurate and inexpensive business translation services. One of our first reviews from our clientele, lighted a spark in the dark, and from there, we knew that we were headed for just one way; up! We are all family, who live by the words "Team Work Works". Our professionally trained staff efficiently manages delivery turnaround times, at all times Everytime! Our company has been recognized, and received accolades from our clients many a times for meeting deadlines, and creating headlines. Speedy turnaround timings, sometimes equate to poorer translations, but, on our page, based on our tests, our company does not sacrifice quality for speed. In each case, in addition to being returned in a timely fashion, our sample translations from 'Translation Guru Pvt Ltd' were very close to being 100% accuracy. Implementing cost into perspective, each of the requested quotes that our company formulates is indeed well below the average of our entire lineup and less than half the cost of our most expensive service. This was despite the range of services and the quality of the agency's work being on par with the industry, we "Uncomplicated the Complicated", where are good became better, and now we are aiming to be the best.

About us:

Our work ethics are focused towards constituting the whole scenario of the 'language translation process' as smooth, painless and cost-effective as possible. We believe in the automation of as many processes as possible. With our constant efforts and relentless pursuit of our best efforts, we reap the benefits of our dedicated, knowledgeable and technology-minded staff, who are consistently 'hands-on' on the internationalization and globalization. Our company's directory also spans across globally and also serves cross-national institutions, famous multinationals including other language companies, from all over the world. Our built-in quality service philosophy is accompanied by the latest computer aided applications as well as state-of-the-art language of QA technology. Our whole package is engineered to speed and reduce localization and translation costs, another feather in our cap of relentless efforts; our name is inspired by the times in which a single continent panned the whole earth. If geology was a language, 'Translation Guru Pvt Ltd' would synonymically mean "Togetherness"!

Our Company's Vision:

'Translation Guru Pvt Ltd' visionary concept is oriented towards offering unique and insinuitive translations, constituting as a unique platform, aimed towards achieving total solution derivatives, implemented towards creating a one-stop solution for content well language solutions to all clientele, and establishing itself as one of the pioneering corporate in this industry, on a global scale.
