**Dear Sirs,**

We have the pleasure to introduce our Company Profile and services to your esteemed Company .

Trust for Translation is a promising Company that is established on 2008. It has its headquarter in Cairo and branches in Tripoli-Libya and Jeddah-KSA. Trust For Translation is specialized at providing Various Legal Services and accurate English/Arabic Translations. This is accomplished using only professionals as well as legal translators and proofreaders with professional qualifications in legal translations and related fields. Our friendly professional translation team will guide you through the translation process ensuring your document translation project runs completely smoothly.

In addition, we only use highly qualified translators who translate exclusively into their own native language, ensuring that the translations read like original documents.

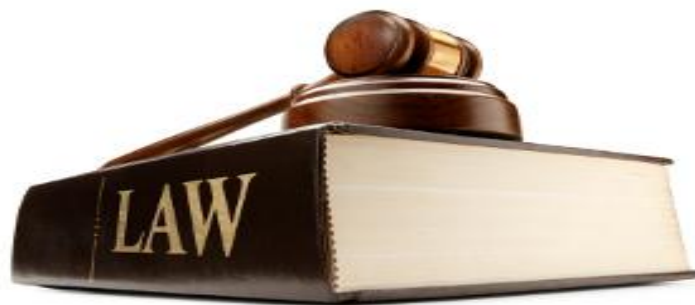

We are able to provide you with quick and accurate results for all your translation needs. With our team of qualified and experienced translators, interpreters and proofreaders , we are able to provide you with quick and accurate results for all your translation needs. We promise our clients for delivering accurate, high quality professional translation services, on time and at a very affordable price.

## ***Legal Services***

Trust For Translation is providing Legal Services, including but not limited to, Setting Up Companies and Companies Branches, Registering Trademarks, Extracting Work Permits and Visas for foreigners, Authenticating Documents, Drafting and Reviewing all kinds of Contracts. We provide all this services in high quality, within very short time and with very competitive price. With our team of lawyers whom include national and international experience will handle all your legal needs.

We know pretty well the importance of time from the business wise, so to meet the need of the business we are setting up all kinds of companies within one week from completion of the required documents with a very competitive fees. Also we register all kinds of Trademarks either the owner is Egyptian or foreigner. Now we are providing the service of extraction work permits and visas for foreigners. We also drafting and reviewing all kind of Contracts range from lease contracts to the commercial contract, construction contract and franchise Contracts. We promise you with high quality legal services within suitable time more than expected.

## ***Legal Translation***

We can provide a legal translation service that meets and goes beyond your legal translation needs.

We deal with a wide range of legal translations on a daily basis and have the experience and expertise to handle all forms of legal translation, including but not limited to contracts, memos, laws, regulations, certificates, statements, letters, reports, case notes, interviews and summaries.

Our legal translators are highly qualified and experienced translators who specialize in the legal field and often have relevant legal qualifications or legal translation qualifications.

We already provide legal translation to some of the world's largest law firms (as well as some of the smallest) and with can deliver our legal translation services on an urgent translation and overnight legal translation service where required.
