

# About Wordpar International

---

Word Par provides professional language services with the help of a world-wide network of professional translators and linguists. All language specialists are native speakers of the respective target languages.

Our services include translation, interpretation, voiceover, subtitling and transcription among others. Projects are executed with meticulous care and close attention to terminology, correctness of language and other relevant aspects of the deliverables.

**Our translators** are qualified and specialized linguists with expertise in various fields of translation. Be it a simple travel document or complex training manuals or important legal documents! Word Par assigns the most suited translator and delivers accurate translations.

**Our interpreters** are trained linguists providing simultaneous, consecutive and phone interpretation.

**Our voiceover** artistes have the best voices in the industry, suited for your varied needs. Be it a voice for an audio book or training material, and ad or a presentation! Any voice for any occasion and purpose.

**Our subtitlists** have a passion to perform and deliver accurately translated and timed subtitles to your audience!

**Our clientele** spans the globe and include software companies, biotechnology companies, law firms, accounting firms and large business houses as also manufacturing units.
