## WORK EXPERIENCE

### Freelance Translator & Interpreter on Smartcat: Since 2018

I started working as an interpreter during FIFA world cup 2018. My responsibilities were to translate for the tourists and fans. In 2020 I started working as a freelance translator on Fiverr, later on I moved to other platforms such as SmartCAT, Avito, Kwork...etc.

I have translated over **85,000 words** on **SmartCAT** alone.

### Pollion Translation Agency - Istanbul : 2022 - Present

Translating, proofreading, transcribing audio files for an international company based in Turkey, UAE and Egypt.

### Kaya Translation Bureau - Moscow: 2022 - Present

I have been working for a reputable translation bureau based in Moscow, Russia.

I have translated passports, certificates, websites, medical reports, customs declaration forms.

I have also managed translation projects as well as hiring other freelance translators to cooperate on large projects.
