Address: 20th home of Muhammed Mustafa Street, AL-Zawia region, Cairo, Egypt

## Objective

---

I'm interested in the position that you are hiring, I'm a native Arabic "Egyptian" qualified English-Arabic translator with a previous experience in translating courses, documentaries and articles through the web . capable of making a very strong language structure and having a decent vocabulary .

\* **My major achievement** is to be rated as "**Outstanding Translator**" on the well known learning platform **Coursera** for translating very important courses from English to Arabic .

I'm also a Civil Engineer graduate from Ain Shams university in Egypt ,who changed his career into translating and writing as a number one concern .

Taking into consideration my passion of daily reading of various types of contents mostly like literature, politics, philosophy, religion, psychology, sociology and any sort of knowledge .

Considering that i use CAT tools in translating .

I also contributed in many volunteering works like teaching and making surveys in real world collecting information .

It would be my pleasure to provide you with my help and hard work .
