Have done Tamil subtitles for Movies, Tv serials, Trailers and worked in online portals of various clients. Am Proficient in using softwares Amara and Subtitle Edit.

Have translated Homepages, mobile Apps, Flyers, Product Catalogues of manufacturers, Information and notices of companies for their internal usage, written research and translation content for websites etc. OmegaT is the CAT tool which I am familiar with.

Am interested in subtitling (TV Serials, Movies, Trailers , environment related videos)Book translation(General, Environment, Education Domain - School, College Subject Text books).

Eagerly looking for opportunity to do Tamil dubbing script for English movies.

Thanking you
