## Curriculum Vitae

### Personal information

Nationality      Macedonian

### Education and training

12.04.2004

The Certificate is from Quality Management Center from 12. 04. 2002.

Training, Center for International Management, Skopje, Macedonia

Marketing management, Organizing as part of management, Styles of management and types of Managers.

Auditor for ISO/ DIS 19011 (Guidelines for quality and/ or environmental management systems Auditing).

01.03.1996 – 30.09.1996

Specialisation: Robert Bosch GmbH, Stuttgart (FEW/FBR2), Stuttgart, Deutschland;

Department: Vocational development in inject diesel pumps department (FEW/FBR2), Stuttgart - Feuerbach.

Planning of production of inject diesel pumps

Improving of quality of measurement and researching centers with pressure principles of inject pumps.

Improving of production quality and reducing of mistakes.

Releasing and enabling testing places of cycling moment of conjecturing pump parts.

Determination cycling moments of conjecturing pump elements.

Zero Mistakes Production Method - Poka Yoke.

Statistical Methods of quality control – SPC.

Team Work, Negotiation and Business Relation Methods.

20.11.1995 – 01.03.1996

Specialisation: P. I. V Antrieb Werner Reimers & Co. KG, Bad Homburg, Deutschland;

Vocational development Fellowship:

Expertise training to prepare plan and maintenance of production

Working with tools and mechanisms of marketing practice.

16.09.1995 – 20.11.1995

Specialization, vocational training

Basics of Market Economy.

1986 - 1991

University "Sv. Kiril i Metodij" of Skopje - Mechanical Faculty, Science proceeding metals with cutting

Occupational field: Graduated Mechanical Engineer - Master of Science (M. Sc.)

## Work experience

From 07.10. 2014, until today

Name and address of employer  
Type of business or sector  
Occupation or position held  
Main activities and responsibilities

RAM Industrial Group–Skopje  
Auto part manufacturing.  
Production Manager  
Innovation, development and production of clutch covers, clutch disks for passenger vehicles, trucks, tractors, buses and construction machinery.  
Making construction using CAD software  
Production for parts using CAM software for different CNC machines for milling, turning...

From 25. 12. 2013, to 30.09.2014

Name and address of employer  
Type of business or sector  
Occupation or position held  
Main activities and responsibilities

Hi Tech Corporation, 1000 Skopje  
Metalworking production and building construction  
Production Manager  
Making Projects for machines, using CAD software and 3D simulators  
Making construction for machines, using CAD software  
Production for parts using CAM software for different CNC machines for milling, turning, el. Erosion  
Teaching the young engineers for practical using of CAD and CAM system on Five Axes CNC Machines for metalworking production.  
Managing projects for building of new type of machines and machine line for specific production processes in electronics industry.

From 11. 07. 2013, to 24.12.2014

Name and address of employer  
Type of business or sector  
Occupation or position held  
Main activities and responsibilities

Alexandar Industry – Hi Tech Corporation, 1000 Skopje  
Metalworking production and building construction  
Production Manager  
Making Projects for machines, using CAD and 3D simulators  
Making construction for machines, using CAD software  
Production for parts using CAM software for different CNC machines for milling, turning, el. Erosion  
Teaching the young engineers for practical using of CAD and CAM system on Five Axes CNC Machines for metalworking production.  
Managing projects for building of new type of machines and machine line for specific production processes in electronics industry.

From 08. 08. 2010, to 02.07.2013

Name and address of employer  
Type of business or sector  
Occupation or position held  
Main activities and responsibilities

Nutek – Skopje  
Metalworking production and building construction  
Production Manager  
Making Projects for machines, using CAD software and 3D simulators  
Making construction for machines, using CAD software  
Production for parts using CAM software for different CNC machines for milling and turning  
Teaching the young engineers for practical using of CAD and CAM system on CNC Machines for metalworking production.  
"Engaging Macedonian companies for production of parts in the West - Eurpa market. Especially in Germany"  
"Development of business activities for the establishment of parter German – Macedonian company for the design, construction and production of special machines, ranking in the west - European countries."  
"Development and production of special machines for forging and rotating bending of steel profiles and development of placement outside of Macedonia."

17.06. 2009 - 01.08.2010

Name and address of employer  
Type of business or sector  
Occupation or position held  
Main activities and responsibilities

Tehnoskop Alati – Skopje  
Selling Tools for Metalworking  
Technical Consultant  
Give help and solution for using tools in metalworking production  
Teaching customers to use and make choice for tools for machining  
Perform technical solutions to industrial companies in the country and abroad, using modern methods of mechanical processing and highly productive cutting tools.  
"Analysing opportunities for Macedonian companies manufacturing needs of the West - the European market."

13. 03. 2007 – 21.05. 2009

Name and address of employer  
Type of business or sector  
Occupation or position held  
Main activities and responsibilities

Alexandar Industry – Hi Tech Corporation, 1000 Skopje  
Metalworking production and building construction  
Production Manager  
Making Projects for machines, using CAD software and 3D simulators  
Making construction for machines, using CAD software  
Production for parts using CAM software for different CNC machines for milling, turning, el. Erosion  
Teaching the young engineers for practical using of CAD and CAM system on Five Axes CNC Machines for metalworking production.  
Managing projects for building of new type of machines and machine line for specific production processes in electronics industry.

09. 12. 2005 – 09. 12. 2006

Name and address of employer  
Type of business or sector  
Occupation or position held  
Main activities and responsibilities

Davit ESB d. o. o., Pero Nakov bb, 1000 Skopje  
Metalworking production and building construction  
General Manager  
Establishing business relationship with partners from Italy, Germany and USA.  
Production for machine parts for auto industry and for industry in railway.  
Production of tools for plastic extrusion.  
Making Projects for machines, using CAD software and 3D simulators.  
Making construction for machines, using CAD software.  
Production for machine parts using CAM software for CNC machines for milling and turning

01. 03. 2004 – 09. 12. 2005

Name and address of employer  
Type of business or sector  
Occupation or position held  
Main activities and responsibilities

SELEKTRA – LIRA, s. Petrovec, 1000 Skopje  
Metalworking production and building construction  
Production Manager  
Production of tools for pressing, using CAD/CAM systems for programming the CNC machines for milling.  
Managing business relationship with foreign companies.

20. 07. 2001 - 01. 03. 2004

Name and address of employer  
Type of business or sector

MZT HEPOS, Pero Nakov bb, 1000 Skopje  
Production of Braking Systems for railways

Occupation or position held	Manager of Department for Reliability, Availability, Maintenance and Safety (RAMs) of products
Main activities and responsibilities	Working on statistical analyses of reliability of products, vibrating testing, market research and designing of researching testers.
15. 05. 1999 - 20. 07. 2001	
Name and address of employer	MZT HEPOS, Pero Nakov bb, 1000 Skopje
Type of business or sector	Production of Braking Systems for railways
Occupation or position held	Production Manager
Main activities and responsibilities	Improvement of planning system of production Improvement of production methods, using CAD and CAM systems for CNC machines programming Improvement of the quality production Developing the teamwork and improvement of interpersonal relations into the enterprise. Leading the training sessions for the personnel and management board into the Department.

05. 1992 - 15. 05. 1999	
Name and address of employer	MZT HEPOS, Pero Nakov bb, 1000 Skopje
Type of business or sector	Production of Braking Systems for railways
Occupation or position held	Research and Development – Process Maker
Main activities and responsibilities	Developing technology processes for production of mechanical parts, subunits, units and machines Implementing international standards for the process. Designing computerized numerically maintained machines under numeric such: Philips, Mazak, Siemens, Fanuk, Heidenhein, Gildemeister, particularly on CNC turning machines, CNC milling machines and CNC processing centers. Developing programs and schemes for PCs to support numerically maintaining machines, as well as specifications for supplying cutting tools, holders and tools form Coro Key from Sandvik, Mircona and Seko.

## LANGUAGE

Macedonian	Mother tongue
Serbian	Mother tongue
German	Advanced level
Englisch	Advanced level

## Social skills and competences

Ability to communicate, problem-solving, decision making, self - management, and peer relations abilities that allow one to initiate and maintain positive social relationships with others.

Member of a citizens association for environment protection ORT-Training for Sustainable Development, since 1998

## Organisational skills and competences

Ability for managing people using scientific methods and organising production using knowledge in planning, organising, etc..

## Technical skills and competences

High knowledge and experience in metalworking using many type of CNC machines and control systems and classic machines for milling, turning, el. erosion, forging, pressing etc.

High knowledge and experience in building constructions, machine building, maintenance.

Numerical maintenances for CNC machines and tools: Fanuc 4 axes CNC machine, Mazak 4 axes CNC machine, Deckel Maho 5 axes CNC machines, HAAS CNC machines, Philips, Gildemeister, Bosch, Heidenhain, Mazatrol CAM M2, Siemens - Sinumerik 840 C, ISO.

### **Computer skills and competences**

Solid Works, Mastercam, PowerMill – Delcam, Mechanical Desktop, Auto Cad  
Page Maker, Word,  
Corel Draw, Photoshop, 3D Max Studio  
Table estimation: Excel. Database, Visual Basic  
Internet: WEB master, Adobe Dreamweaver, Adobe Falsh ...  
Multi Media: Adobe Illustrator,

### **Other skills and competences**

Delivered training on Seminars for young members of citizens organizations on modern management, strategy planning and organizing effective meetings in year 2001, 50 hours  
Delivered training to workshop of people in small companies on modern management in 2001, 50 h  
Web designer for citizens organizations and small companies.  
Designer of posters, brochures, flyers for citizens organizations public awareness campaigns

**Driving licence**            **B**
