<b>Working Experience</b>						
<p>I am a native Chinese speaker and good at English and Japanese. I have been engaged in many kinds of works in English translation for a long time before and after graduation, and have accumulated nearly 1000,000 words of translation experience in the past five years. which is also widely involved, including games (Call of Duty, PES, Survivor Royal), books (such as Web 4.0 Marketing, Platform Revolution, How Users Matter-The Co-Construction of Users and Technology, etc), technology, finance, internet, art, etc. In addition, I am also good at Japanese and have done many kinds of translation with this language</p>						
<b>Self-Evaluation</b>						
<p>I am enthusiastic, kind, confident, self-disciplined, motivated, and have a serious and good work attitude. I always work conscientiously, and can quickly accept new knowledge and adapt to new environments. In addition, I have a good sense of teamwork and better personal affinity, with the conditions for compound talents.</p>
