Experience

MARCH 2021 – JUNI 2021

Teacher / Tunas Harapan Primary School, Patumbak

This program is implemented to assist teachers and schools in carrying out learning activities. Therefore, the participant can share their knowledge skills and inspire the students at school to build up their insight. As a participant, I do many activities for this school through this program with my team. We teach primary students using interesting technology and media that this school has never applied. As a result, the learning process becomes fun and more effective.

OCTOBER 2021 – DECEMBER 2021

Teacher / SMPN 29 Medan

This is an internship experience of teaching English for Junior High School.
