# Judit Róth

Freelance at Róth Judit

Pécs

## Summary

- Studying to be a translator gave me confidence and a detail oriented attitude.
- Teaching Hungarian to native English speakers, and working six months in Australia allowed me to immerse myself in the language and culture even better.
- Altogether I consider myself a focused translator with highly developed understanding of English language and culture, who is skilled in quickly and accurately translating and proofreading written documents, subtitles or videos.
