## Work experience

---

ECC Gakudo School

Mar 2021 — Mar 2022

Assistant Language Teacher

I've been helping the primary students with their English homework and taking care of them after school for 1 year. It helps me getting know more about how to communicate with the kids, especially in Japanese and solve problems with them together.

## Qualifications

---

Have gotten 805 on the TOEIC listening and reading test, and passed N2 level of the Japanese Language Proficiency Test.

## Education

---

Global Communication

Apr 2022 — Mar 2026

Doshisha University

Doshisha University is one of the top private universities in Japan, and I am now studying Global Communication, that the students can raise their level of internationalism, and be nurtured as future global leaders in all kinds of fields, such as facilitators, negotiators or administrators in the business.
