## EXPERIENCE

### **Lingual Consultancy PVT LTD, Germany— *Transcriptionist***

April 2020 - PRESENT

I am working on one of their Bengali transcription projects in tool name workbench. It is a cloud base tool. I do transcription with proper annotation and I have successfully transcribed hours of audio for them with good feedback.

### **Eccellente, India — *Transcriptionist and reviewer***

July 2020 - PRESENT

I am currently working on one of their projects for transcription and annotation. I also conduct some review work for them. Their preferred tool for this job is LOFT. I am very familiar with the interface of that tool.

### **Andover, Singapore— *Translator***

July 2019 - December 2019

The translation project is in the Marketing domain. I have translated different types of documents and websites for them during this period.

## EDUCATION

### **Jagannath University, Bangladesh— *BBA***

Jan 2011 - Dec 2015

Accounting and Information system

### **Jagannath University, Bangladesh — *BBA***

Dec 2015 - Dec 2016

Accounting and Information system

## PROFESSIONAL GOAL

I am a professional with a Masters degree in Accounting and Information system. I have a day job. But I would like to make best use of time. So I provide Linguistic services on a freelance basis. Because I love exploring different cultures. I like the challenge when it comes to converting other cultures' content to my culture.
