OBJECTIVE

Experienced Burmese-English translator seeking to leverage my language skills and cultural knowledge in your project. With expertise in a wide variety of areas, I aim to provide accurate translations and improve the relevance and quality of content to guarantee utmost client satisfaction.

SKILLS

- Fluent in Burmese and English languages
- Familiarity with Burmese culture, local trends, and social dynamics to ensure culturally appropriate translation of content.
- Familiarity with necessary tools needed for Translation and Transcribing, enabling effective translation of content and its impact on user experiences.
- IELTS 8.0 (Overall)

EXPERIENCE

CONTRACT TRANSLATOR • ZOTE CREATION • 2018 – NOW Over the past 5 years, I have been primarily responsible for translating user interfaces (UI) for a programming company. Throughout the duration, I have successfully managed numerous projects encompassing website localization, mobile application translation, and sales software adaptation for various companies and businesses.

SUBTITLER • LOCAL STREAMING SERVICES • 2015-2021

I accumulated significant expertise while serving as a subtitler for local streaming services, where I translated more than 50 movies for the Burmese audience.

FREELANCE TRANSLATOR • 2015 – NOW

Translated numerous gaming articles for a Facebook page, news articles for a newspaper, movies for a local website, and novels from English to Burmese. Also experienced in Transcribing audio or written content. Currently working for localization platforms such as Gengo, Translationdirectory, Protomos and Smartcat.

EDUCATION

BACHELOR OF DENTAL SURGERY • 2016 • UNIVERSITY OF DENTAL MEDICINE, MANDALAY

DIPLOMA IN ENGLISH • 2010 • UNIVERSITY OF FOREIGN LANGUAGES, MANDALAY
