Work Experience

Cargo Officer

Ocean Tankers - Singapore
February 2018 to October 2020

I worked as Cargo officer 2 years and 8 months in Ocean tankers pte.ltd.

1. Get bunker orders from programmer
2. Communicate with agents, vessel that will take bunker, and surveyor (if engaged) to be smooth operation.
3. Communicate with captain, chief officer, chief engineer and crews from both vessel side and my bunker tanker to be safe alongside, to get safe access and to be safe operation.
4. Cargo handling, stock movement filling, meter totalizer filling, bunker documentation(BDN, requisition, safety checklists, meter reading records,etc) and keep in update condition for MFM certificates of bunker tankers and so on.
