### Brief Introduction:

I am a graduate of REC-Trichy's Comp Sci department, now NIT-T, ranked as the top 10 institutes of the country. With a career start in TVS group, I was one of the very few women who went to US on H1 visa 25 years ago as a Consultant in Pentafor software, a leading company. I then moved to Unisys in the US, followed by Mobius Knowledge services and worked as the Technology Head at [Sulekha.com](http://Sulekha.com). Along with my experience of 25+ years and accomplishments in the IT sector, I also quenched my thirst to teach by working as a professor in an Engineering college. A mother of three and a doting grandmother, I also juggle a myriad of passions.

### Skills that would exhibit my passion for the language:
