LEADERSHIP EXPERIENCE

The Outstanding Intern of International Think Tank for LLDCs

4.2023 – 7.2023

International Think Tank for Landlocked Developing Countries

Ulaanbaatar, Mongolia

- Teamwork and leadership skills:

Lucy has been highly recognized by the internship supervisor and colleagues by actively participating in brainstorming, fostering positive team dynamics while assisting the team in the preparation of Trade and Development Research Report.

- Cross-cultural communication and collaboration skills:

Lucy demonstrated excellent cross-cultural communication skills when working with the Kyrgyz government's foreign trade team, respecting different opinions within the team. Finally, the cooperation with the local government representatives was reached and the paper "*Research on Digital Transformation Strategy of A Clothing Company in Kyrgyzstan*" was formed.

- International cooperation and Mission for sustainable development:

During her internship, Lucy actively promoted sustainable cooperation among landlocked developing countries in Central Asia, and won the admiration of project leaders of Global Cultural Adventurers for writing the draft of multilateral cooperation on coordinating regional e-commerce trade development.

Youth Observer for the 79th session of the ESCAP

5.2023 – 6.2023

Economic and Social Commission for Asia and the Pacific Meeting, Chulalongkorn University

Bangkok, Thailand

- International cooperation and representation:

Lucy actively participated in the 79th ESCAP meeting in Bangkok as a youth observer, participated in discussions on climate action, and represented HIT effectively on the international stage, demonstrating leadership in global cooperation.

- Commitment to sustainability and innovative thinking:

Lucy's active participation in sustainable development discussions in the Asia-Pacific region demonstrates her dedication to addressing global challenges. Her contributions demonstrate her practical commitment by discussing climate finance, renewable energy, and winning the 2022 SDG Proposal Championship highlights her innovative approach to solving complex problems.

- Participation in regional policy dialogue and technical cooperation:

Lucy engaged with Daisy, a youth representative from a Mongolian biopharmaceutical company, to explore policy options for accelerating climate action and to highlight collaboration with different stakeholders in strategic regional initiatives.

China National Scholarship (The highest level of national scholarship established by the Central People's Government of the People's Republic of China)

1.2023 – 12.2023

Ministry of Education and Ministry of Finance of the People's Republic of China

Beijing, China

- 1. Leadership in Academic Excellence:

As the English Party Branch Secretary and class monitor, Lucy demonstrated leadership in academics, achieving a credit score of 93.127, ranking first in her major, and receiving scholarships such as Zeng Xianzi, Internship of International Organizations and People's Scholarships.

•2. Leadership in Social Engagement:

Lucy has shown leadership in social practice. The mini-historical documentary that she led the team to complete was reported by China Youth Network, and she personally won the title of "Outstanding Individual" for her active participation in social practice.

•3. Leadership in Innovation and International Engagement:

Lucy's exceptional innovation and international engagement were evident in winning five national awards, completing an internship at an international think tank for inland developing countries, and participating as a youth observer in the 79th UN ESCAP conference.

Uniqlo Scholarship

6,2023 - 3.2024

Fast Retailing Co., Ltd & China Education Association for International Exchange

Shanghai&Beijing, China

• 1. Leadership in academic and extracurricular activities:

In the group competition of the scholarship project, she took the initiative to act as the team leader, and in four days, she teamed up with 7 students from 5 universities with different majors to complete the "Uniqlo Autumn and Winter wear creative model design", and presented the design on behalf of the team. In the end, the team won the best creative award, and all the team members also recognized her as an excellent project coordinator.

• 2. Leading social participation and innovation:

During the visit to Uniqlo's Shanghai headquarters and factory, her GU development strategy was recognized by the manager of Uniqlo South China Region. During the three-hour factory site visit, she spent 30 minutes making her own canvas bag and won the first place in the final evaluation stage with full marks. She shows the keen perspective and quick learning ability that are essential for a successful leader.

• 3. Leadership Global Vision and equality in Education :

During her visit to the China Education Association for International Exchange, she took the initiative to discuss feasible measures to promote global education equality with relevant scholars. Her participation in UN activities, as well as her focus on using technology for distance education and psychological support for left-behind children, underscores her commitment to building a more equal and inclusive education system globally.

RELEVANT EXPERIENCE

The Paper Presenter of the First NUAU on Frontier Research in Contemporary English Literature

Tsinghua University, Renmin University of China,

3.2022 - 5.2022

Beijing Normal University, Beijing Foreign Studies University

Harbin, China

• 1. Lucy's invitation to the "2022 National Undergraduate Forum on Contemporary English Literature Research"

highlights her academic leadership and initiative, showcasing her willingness to engage with profound challenges and lead in intellectual discussions.

• 2. Her involvement in the forum demonstrates her interdisciplinary approach and networking skills. Collaborating with experts from various fields, including postmodernism, ecological criticism, and feminist criticism, underscores her potential to lead and foster collaboration in diverse environments.

• 3. Her presentation of the paper "*Analyzing Gatsby's Greatness with the Method of Character Analysis*" at the forum emphasizes her strong communication and presentation skills. This showcases her ability to articulate complex ideas effectively and presents her as someone with the potential to lead discussions and persuade others, a crucial leadership quality.

The 12th China International Civil Servant Capacity Building Project

7.2023 - 8.2023

United Nations Association of China, Northwestern Polytechnical University

Jiangsu, China

• 1. Lucy's participation in the "China International Civil Servant Capacity Building Training Program" reflects her proactive approach to academic growth and professional development.

• 2. Her involvement in a program with diverse participants underscores her leadership in fostering cross-disciplinary collaboration and understanding.

• 3. Her engagement with distinguished guests and discussions on global issues demonstrates her global vision and potential diplomatic skills, essential for future leadership in international affairs.
