Good day. :)

I am Sol Kim from South Korea.

I want to apply for the Eng-Kor video translator job.

I have two years of experience as a video translator.

I have worked with various OTT services, such as Netflix,
Disney Plus, Watcha(Kor OTT service),

Wave(Kor OTT service), etc.

Also, for the in-flight service videos and cable TV shows.

I translated all kinds of videos.

And also available for the dubbing job.

Please refer to my resume for the lists that I have worked on.

I went to a high school in the US

and spent a year in France as an exchange student.

I worked as an overseas manager in several companies.

I am fluent in English and native Korean.

I also learned French and Japanese

so I can work and have a better understanding of a script
that has been retranslated.

I am a very hard worker, so I am available

almost 24 hours every day.

I have professional manners and punctuality.

I always do my best for the job.

My workability is I need one and half days for 45mins of drama
or reality shows, and if it's a documentary film, I need two days.

I am looking forward to hearing from you.

Please let me know

if you have any questions about me and my work.

Thank You.

Best Regards,

Yesol Kim
